Automatic renewal of your policy

When taking out insurance with us, you agree to set up a continuous payment authority. This means that we're authorised to automatically renew your insurance policy and apply for renewal payments from your account every year, until you instruct us to stop.

With automatic renewals, as long as all information and payment details are correct and up to date, you will continue to be covered.

We will not automatically renew your policy if:

- you have contacted us to cancel your continuous payment authority
- we no longer offer you the continuous payment method if, for example, you have a poor payment or credit history

If you would prefer not to have the reassurance of automatic renewal, you can opt out after buying the insurance at any time by providing your name, policy number and request to opt out by contacting us:
